

MEJOR STEEL

Steel pipe, fittings, flanges and sucker rods for oil, gas and water projects

What we supply

Line Pipe & Steel Pipe	Seamless, ERW, LSAW and SSAW, NPS 1/8"–60". API 5L · ASTM A106 · A53 · A333 · A335 · A312.
Casing & Tubing (OCTG)	API 5CT, grades J55–P110 / Q125. STC, LTC, BTC, EUE, NUE and premium connections.
Pipe Fittings	Butt weld, socket weld and threaded fittings. ASME B16.9 · B16.11 · MSS SP-97 · API 6A.
Pipe Flanges	Weld neck, slip on, blind, lap joint. ASME B16.5 · B16.47.
Sucker Rods	API 11B, grades C, D, K, KD, HL, HY. Rods, couplings, polished rods and the complete string.

Standards & grades

API 5L (grades B through X80) · ASTM A106 / A53 / A333 / A335 / A312 · API 5CT (J55–P110 / Q125) · ASME B16.9 / B16.11 / B16.5 / B16.47 · API 11B · EN 10204 3.1 / 3.2 mill test certificates.

Documentation & supply

- Material traceability with EN 10204 3.1 / 3.2 mill test certificates on every heat.
- Third-party inspection arranged on request (SGS, BV, TUV), at the mill or before shipment.
- Complete OCTG packages supplied with couplings, thread protectors and accessories.
- Sourcing from NPS 1/8" to 60", in carbon, alloy and stainless steel.
